MAIL STOP ISSUE FEECOMMISSIONER FOR PATENTS

In preparing to pay the issue fee for the above-referenced application, it came to our attention that "formal" drawings had not previously been filed. Although the informal drawings originally submitted with the application appear to have been accepted, these informal drawings are very poor quality and it is our desire that this application issue with the benefit of more formal drawings. Therefore, per the advice of Joshua Chase of the Office of Patent Publication on March 14, 2005, enclosed please find replacement drawings for the above-referenced application, which should be scanned to replace the current drawings prior to issuance of the application. Please note that we will be paying the issue fee early next week in that it is due by March 22, 2005. Thank you in advance for your assistance in this matter and please do not hesitate to contact me at 732-699-3050 should you have any questions or concerns.

In the event there should be any fees
associated with the filing of the above:
